Supplemental Type Certificate

Number SS00461AT

Reissued on May 25, 2011 to supersede the original STC which is lost, misplaced, or destroyed.

This certificate issued to Skyship Systems, Inc.
2295 S. Hiawasse Road, Ste 411
Orlando, FL 32835

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part 21 of the Federal Aviation Regulations.

Original Product--Type Certificate Number: AS1EU and AS2EU

Make: Skyship

Model: 600 and 500HL

Description of Type Design Change:

Installation of Lighted Sign System in accordance with Airship International Ltd., Master Drawing List AIL25566001, Initial Release, dated March 15, 1994, or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. FAA Approved Airplane Flight Manual Supplement, dated April 21, 1994, and Flight Test Procedure, AIL25566004, are a required part of this STC. Verification of compatibility of a unique lighting pattern is the responsibility of the installer and requires completion of functional flight test and associated test report. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
